Introducing Octi the Octopus

Octi is ready to play!

Need another lovable friend? Then Octi might be the octopus for you! He's an adventurous sea critter who enjoys cuddles before bedtime.

Octi is a new buddy from the UP family. He's made of non-toxic and eco-friendly materials such as organic cotton. Octi was hand-stitched with love as was his many UP siblings in the USA.

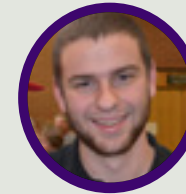

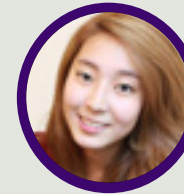

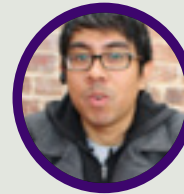

Octi and his siblings will be available soon! Check out stores such as Target, Walmart, Toys R Us, and many more near the holiday season.

ME: Hi everyone, I'm working on the email list right now!

SARA: Awesome! I've been very productive too. I think we should be able to meet the deadlines.

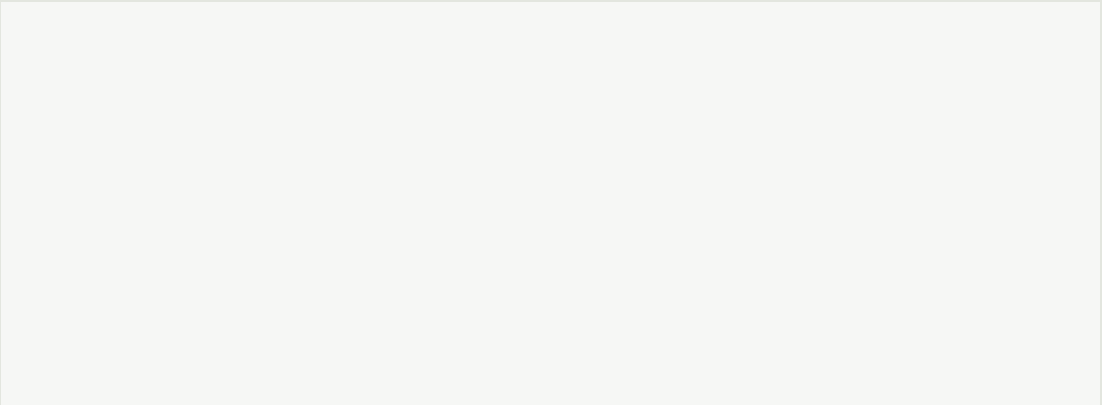

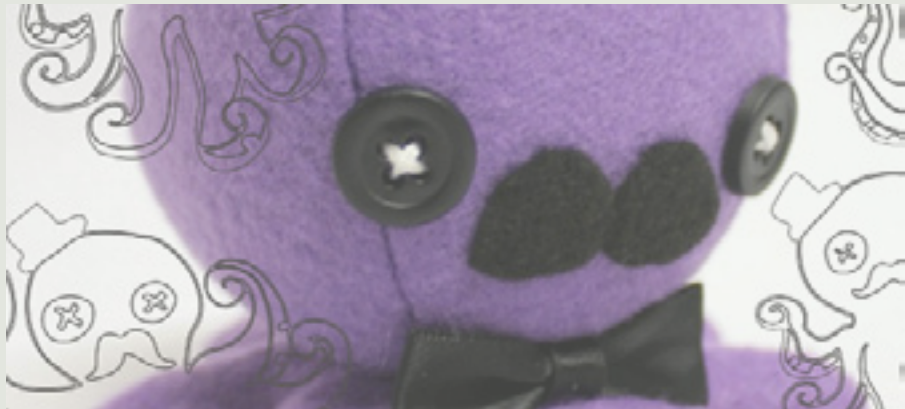

ME: Do you think you could send me some of your project files?

I have some documents too .. I
